

## What's been happening...

### Greetings from the OSH Club! 🌐

We have had an exciting start to term 3 at OSHClub, filled with fun and interactive learning activities.

### Activities

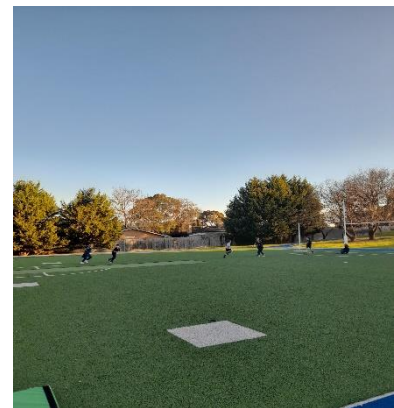

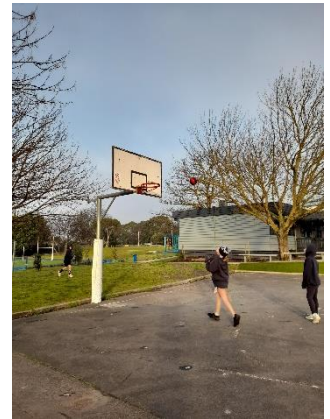

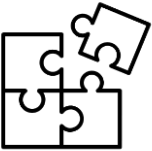

The children at OSHClub have used their creative minds in a range of hands-on activities such as Hama bead making, painting, braiding and even construction involving the building and design of castles made from cardboard.

Here at OSHClub we like to get active, and this month students wasted no time making the most of the rare sunny days we've had. We have spent some time outdoors playing a variety of sporting activities such as basketball, four square and even capture the flag!

### National OSH Educators Day

July 31<sup>st</sup> was National OSH Educators Day! We want to say a big thankyou to all the students and parents at OSHClub for the warm wishes and making us feel very proud to be a part of this community!

To all the OSH educators, thank you for contributing to the positive care and impact on students at Boronia Heights Primary School!

### REMINDERS:

Non-notified absences will incur a fee.

## Looking Forward 🌱

It's National Science week from 10<sup>th</sup>-18<sup>th</sup> of August! The theme this year is: Species Survival  
Following Science week, we are looking forward to celebrating Book Week!

### National science week!

It's National Science Week next week and this year is all about sustainability. So put on your thinking caps because next week is all about understanding the importance of our environment in an ever-changing world!

### Child Safe Standards

Here at OSHClub, we follow the Child Safe Standards which is a list of 11 standards that we need to Implement to keep children safe. Child Safety Standard 1 Is: Organisation establish a culturally safe environment in which the diverse and unique Identities and experiences of Aboriginal children and young people are respected and valued. We embed this standard by having a child led acknowledgement of country, weekly Indigenous activities, yarning circles, cultural books and discussions and having an Indigenous season's display. If you have any further suggestions on how we can embed this standard, please let us know.
